Bumblebee transformer costume pattern kids face mask pdf images

(pic 2)2. make a box that fits around you. If you print the coloring page version color the mask with crayons markers paint etc. it's like making a wheel, but there is a hole in the middle. I believe we used 2 bowl, and cut out a an "O". if this is the case, place some black fabric on the inside of the mouth. Trace the pieces onto your craft paper and cut out your bee parts. Also, add a mouth, and add lips (pic 3)*sometimes it is good to have a open mouth. It is 4 pieces (2 sides, crotch, and butt). Click Here for All Paper Mask Printables bumble bee wings pattern. Show Image Ages 2 Bumblebee Maze Bookmark. 3. (pic 5)1. get some string or more shoe lace and thread it through. You are basically using 4 trapezoids and a square for the center. (pic 4, Fig 2)BumperAdd a strip of cardboard to the front of the foot to make the bumper. you should be able to put the mag light in and out of the cylinder and close it with the bottle cap. This one was manageable, though the head hole was still way too small and I had to expand it as much as possible; my son has to turn his head sideways to get it on. We then took some comic cardboard and bent it in order to make a curve. sketch an outline of bumblebee's foot and cut it out. The details for the costume really make it. I just took some styrofoam and carved and sanded it into the shape i wanted. Be forewarned it is a BIG PROJECT, but the plans are pretty incredible. This turned out even better than I expected from the DIY blueprints. they do not have a top at this point in time. Finish the outfit with the car tunic and plastic Bumblebee mask to get your little one ready to join in on the action! Kids' the front piece and then hot glue the shoes directly onto the board (pic 2)3)next, you are going to start encasing the shoe in cardboard. Transformers Free Printable Masks. Turn your class into busy little bees. put on the thighs and then use of velcro and fabric.In-depth explanation in the shrapnel tutorial version: Biceps - Make a box around your bicep. File format PDF. Take a metal circle washer and glue it on either side of the hole. One of the most iconic figures in the Transformers is Bumblebee. Check out his site below for amazing photography few things to note:*This costumes works exceptionally well for short people.. Take your sunglass lenses and glue them in from the inside-out.* Prime and paint your mask first before you add your sunglasses. (pic 3)HeadlightTo make the headlights, cut off the top of your soda bottle. We added some foam there so that it wouldn't be bothersome when you walked. They are just angled in and there is a little section cut out if you are a dude for your :; ahem:;.- add an additional strip around the bottom of the thigh so that the calf piece and be attached to it. Only 3 available and its in 1 persons cart. about 4 -5 inches should do.- The washer is there so that the thread will be supported by the washer, and not the cardboard (which can easily rip through with wear/tear)...3. the sides of the calf are slightly elongated. To wear the thighs, you need a belt around your waist. we cut the wheel in half, as you don't need the entire wheel. Saved by carol smith. Then cut 2 long strips and run them on the inner and outer ring of the "O" (pic 1 and 2)Glue it onto the back once finished (pic 3)Now that you have your Chest/ waist and thighs, you can determine how large you need your pelvis to be. Perfect addition to your dramatic corner in spring time. (pic 3 + 4)* it is important to note that there will be a significant amount of space in front of your ankle. The important thing to note is that the shoe is bumblebee's hood when he is a car. Once glued, add a nose. (pic 1 + 2) Fender For the fender, we extended two pieces of cardboard from the side of the foot. To do the helmet, begin by making the crown illustrated in my previous tutorial, "how to build a Darkseid costume" (pic 1) this with the mask on because the mask increases the size of your head. take the bottle cap and cut out the top. (pic 1)2) Take your old gym shoes and place them on the flat pieces of 2x2 board (1 board for the toes). Ages 2 Bumblebee Maze Bookmark. we then masking taped the whole thing. It includes 4 detachable wheels that give the costume a realistic Transformers look. With some love, elbow grease, and time (took me about 20 hours, would have been about 15 with no sizing issues), it can be a really cool costume! © 1996-2014, Amazon.com, Inc.
